## TERRAS DE SANTAR DÃO D.O.C RED

GRAPES: *Touriga Nacional, Alfrocheiro, Jaen, Tinta Roriz.*

TASTING NOTES: Vivid ruby red, with fresh berry fruit and a hint of clove spice. The region of Dão is the 'Burgundy' of Portugal. Why? Terroir-driven boutique producers working in a cooler, surprisingly green climes of the rugged Dão. South of Douro and surrounded by mountains, it is a much greener and cooler vision than the classic image of Portugal brings to mind. Likewise the reds of Dão rely on elegance and finesse rather than power and robustness. A wine which shows the incredible quality price ratio that Portugal can offer to adventurous wine lovers.

That, even if people only know each other for a brief moment, from the moment they are captivated, they stay together forever. The fox of The Little Prince will always remember him when it sees the color of wheat, because it'll remind it of the yellow of his hair.
